### Three ways to get your menu copy to us:

1. E-mail us the last correct proof of your dining room menu.  
Send e-mails to: [customerservice@platinumnc.com](mailto:customerservice@platinumnc.com).
2. Mail an actual dining room menu or photo copies of one to:  
**Platinum NC, Inc., P.O. Box 3759, Crossville, TN 38557.**
3. Fax photocopies of your dining room menu to us at **888-869-0563**.  
This is the least desirable since there is a lot of wording, and especially the prices, come through very difficult to read.

After you proofread and sign off on typesetting, menu will go into print production. PLEASE PROOFREAD CAREFULLY.  
When you sign off you are accepting the menu as it is. Menus will be shipped UPS Ground unless specified otherwise.

**PLEASE NOTE:** It is not necessary, or maybe even desirable, to put all of the items that are on your dining room menu into the take out menu.
