## Custom Carry-Out Menus

Let your customers know all the great stuff that you have. Perfect for generating more carry-out business. Fax us a copy of your dining room menu and we take it from there. Printed in red and blue on white offset.

### This panel can be customized to reflect:

- Just your store
- A few stores in your immediate area
- Or join together with the stores in your region and do mutual promoting of each other. Remember, the larger the quantity of menus you print, the better the piece price.

### Please Note: Less copy sells more.

Not all items on your regular menu need to be on the Carry-Out Menu.

**Call us and we'll fax you a menu order form.**
